1	BRS	904	372/26.ccls.
2	BRS	1	372/26.ccls. and ((semiconductor adj laser) same (etalon filter) same modulat\$3 same (ambient near temperature))
3	BRS	5	((semiconductor adj laser) same (etalon filter) same modulat\$3 same (ambient near temperature))
4	BRS	3	(external near cavity near semiconductor near laser) same ambient
5	BRS	14	(external near cavity near laser) same ambient
6	BRS	474	((semiconductor adj laser) same (etalon filter) same modulat\$3) not temperature
7	BRS	198	((semiconductor adj laser) same (etalon filter) same modulator) not temperature
8	BRS	17	((semiconductor adj laser) same (etalon filter) same modulator same length) not temperature
9	BRS	24	((semiconductor adj laser) same (etalon filter) same modulator same length) not (cool\$3 tec peltier)
10	BRS	30	((semiconductor adj laser) same (etalon filter) same modulator same length)
